

Arizona School Vision Screening Guidelines

Yearly vision screening is required for students with an Individualized Education Plan and/or receiving resource services.

While vision screening is not required by legislative mandate for all students, it is recommended and generally adhered to by most school districts.

NEAR AND DISTANCE VISION ACUITY

-  Preschool
-  Kindergarten
-  First Grade
-  Fourth Grade
-  Sixth Grade
-  New Students
-  Students with Individualized Education Plans, 504's, and/or resource services
